ABOUT ME

I am happy to create new worlds with my work, to inspire others and to pass on joy.

I am determined and dedicated, work without being too insistent on my own perspective. Have strong motivation, am open minded, gladly inspired by others, willing to learn new things and quickly use what I learned.

Stuttgart/Ludwigsburg, Germany

They are an indie game studio located in Stuttgart/Ludwigsburg, GER.

They work on the game One of 500, an biblical story driven game.

With a realistic and historically accurate appearance and Stories that relate biblical perspectives meaningfully to existential questions.

EDUCATION

Diploma as 3D Artist

2019.10 - 2022.08

3D Akademie GmbH | Stuttgart, Germany

The 3D Akademie is a training facility specialized in 3D Art.

In the first 1.5 years the basics of modeling, sculpting, texturing, animation and compositing has been taught.

After these years you specialize in one area, in my case characters and creatures. Everything is completely practice oriented and supported by teachers.

Intermediate school-leaving certificate (Realschulabschluss)

Primary school

2009.08 -

2019.07

Freie Evangelische Schule Stuttgart | Stuttgart, Germany

The Freie Evangelische Schule Stuttgart is a Protestant confessional school in independent sponsorship. They are a general education, state-recognized elementary, intermediate and secondary school as well as a general education and vocational high school in Stuttgart.
